### Book Report

Book Title: Shawn and Keeper

Shawn and his dog, Keeper were the best of friends. They did everything together.

One day Shawn wanted to take Keeper to show - and - tell. So they did tricks together. Keeper did right all the orders that Shawn gave him.

It was time for show - and - tell. Keeper stood when Shawn told him to sit. He rolled over when Shawn told him to shake hands.

Keeper was wrong all the time. Shawn said, "Bad Boy! But I still love you." And he gave Keeper a cookie.

I learn that I should forgive our friends when they are in the wrong. I like this book very much

because I can learn a lot of words and I can learn how to forgive others.

I feel joyful because this book's pictures and words are good and nice. I like the pictures because they are very beautiful!
