Bear's Special Birthday

By A.S. Wood

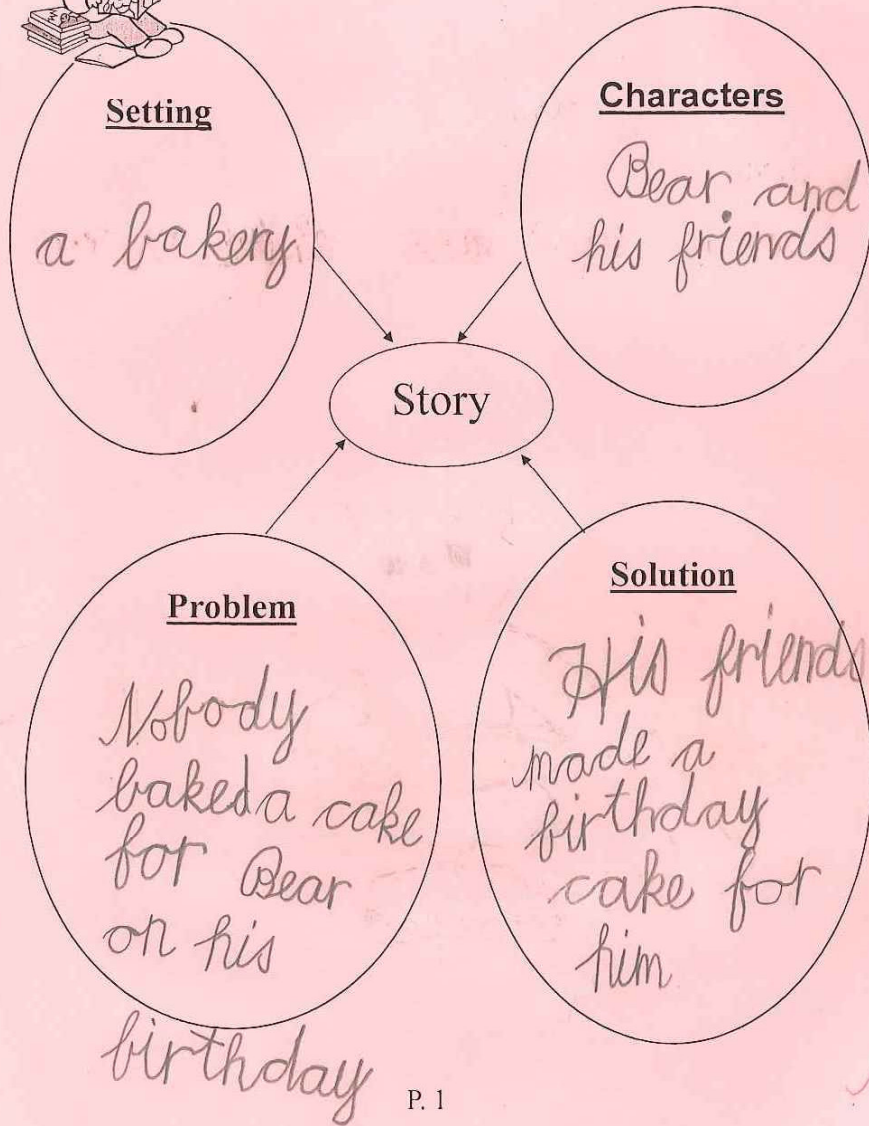

Name: Alice Lam (12)

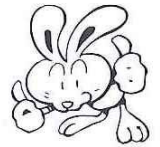

Class: 4B

Story Map

Character Facts

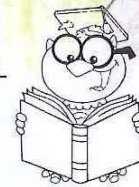

My favourite character

My favourite character is Bear.

I like him because he is a clever and helpful bear.

Draw your favourite character.

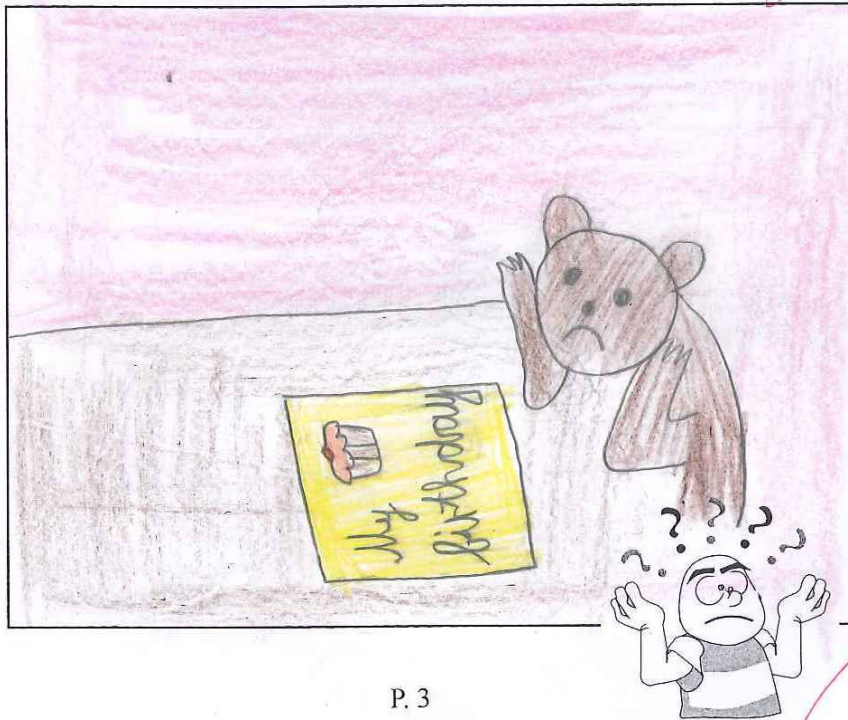

Problem  (Facts)

What is the problem of the story?

Bear longed for someone to make him a special surprise cake. Soon it would be his birthday. "It's no fun baking a cake for yourself!" said Bear sadly.

Draw the scene in the box below.

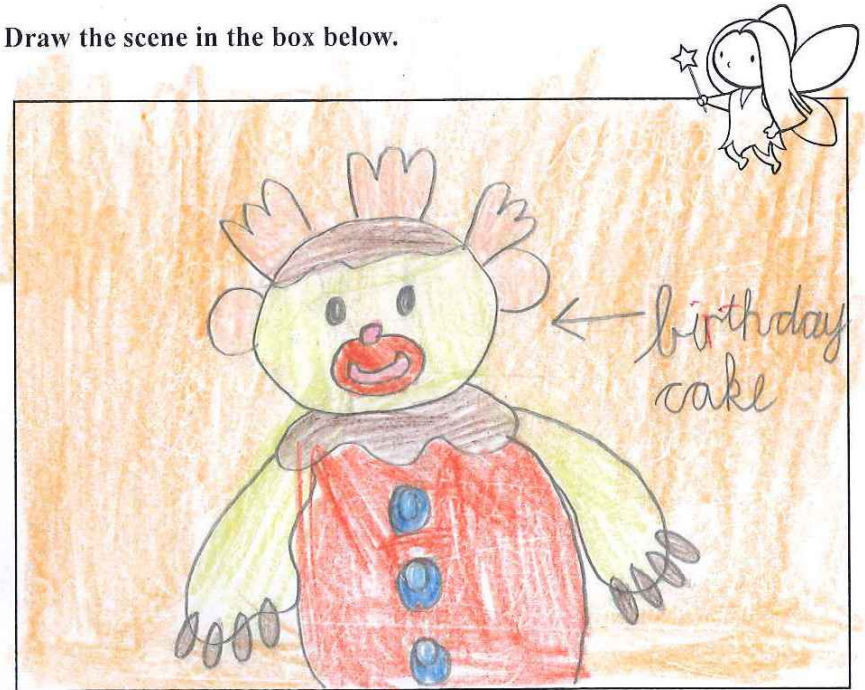

P. 3

Solution  (Facts)

At the end of the story his friends made a cake for him. (bear-shaped)

Draw the scene in the box below.

P. 4

Do you like the story?

Circle the answer.

I like / don't like the story because

the story is fun. Bear is good at baking delicious and splendid cakes.

Write what you learnt from the book: (Learn)

I learnt that I want to help my friends if they have problems.

Do you think this solution is good?

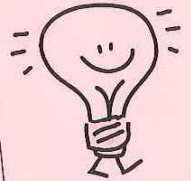

Yes / No

I think the solution is good because bear and his friends can help each other.

Create a new solution (New)

Write a new solution and story ending.

First, Bear's friends take bear to banada for two weeks to play and travel. Then, they come back to Hong Kong and go to the Peak to look at the view of Hong Kong. Next, they go to Bear's house to have a birthday party. At last, Bear and his friends are very happy.
