Wizard is one of the characters in the book called The case of the hungry stranger.

He/ She was the leader of a club called 'The wizard private eye' and the members were 'Tubby', 'Skinny' and 'Snitch'.

One day, wizard's neighbor, Mrs. Meech had lost her blueberry pie. And she asked the 'wizard private eye' to help her to find out who had eaten the pie.

At last, Wizard and his pal found out that a dog called Mop had eaten the pie. And they all celebrated together.

I think wizard was a clever boy because he helped his neighbor a lot.

But I think wizard would break this case faster if I was with him!

I like/ do not like wizard because he is such a clever boy and he helps people a lot.

From this story, I have learnt to be aware of anything that behind you can solve many problems.

I will be more careful to do anything including my homework.
