Book Report

Title of the book: Mystery Thief

The story is about the adventure of Peter the Rabbit and Benjamin Bunny. They got four radishes from Mr. McGregor. However, they lost three of them. They thought the radishes were stolen. At the end, the radishes were collected by Cotton-tail, Peter's little sister.

I like the story because it is funny and interesting.

My favourite character is Peter the Rabbit. I like him because he is very smart. He could save Benjamin from danger.

My New Story Ending

They found that Cotton-tail got three radishes and they told their mum the last radish was given to Mr. Tod. In the end, Mr. Tod gave them back the radish.
