Book Report

Title of the book: **Life Is A Celebration!**

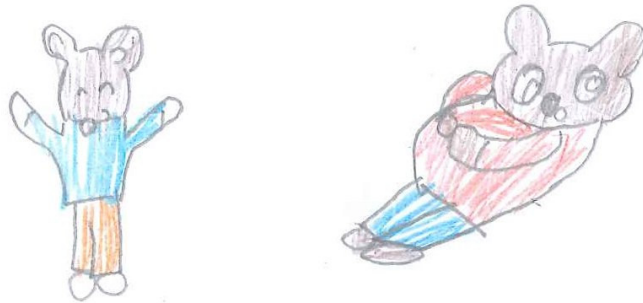

The story is about a mouse called Hamlet going everywhere to celebrate. He had seven brothers and sisters. They were Turde, Balz, Hilde, Mark, Rosa, Wenzel and Claus. One day, he had a party. He met a new friend, Olga. She wanted him to go to Riga, a place of mice. And he had a lot of parties for different animals.

I quite like this story because the story is funny and interesting. But the words are not easy so I need to ask Dad how to read some words.

My favourite character is Hamlet. I like him because he is funny and he is a little house. Also, mice is my favourite animal. He plays all day.

My New Story Ending

Hamlet, Olga, his brothers and sisters have a family party in Hamlet's home because they want to know everyone. Hamlet is clumsy. He puts the orange juice on Olga's dress.
