### Mark and the monster

Everyone in the village thought Mark was strong like an ox. He could lift up the stone, a big tree and even a lion.

One day, a monster reached a village and wanted to catch and eat people. The villagers thought the monster was cruel like an angry evil. So they found Mark and told him to kill the monster.

When Mark wanted to kill the monster, the monster just woke up! Although Mark was always strong like an ox, he was too timid like a mouse when he saw the monster and he wanted to get out. Suddenly, the monster gave him a surprise!

The monster asked, "I'm just kidding! I don't want to eat you." Mark said, "Why can you talk? A monster can't talk!" The monster replied, "I'm not really a monster. I'm a man who has been turned into a monster by a witch." Mark said, "How can you change back to human?" The monster said, "I should have a person who accepts me to be his friend." Mark accepted his wish and became friends with him. The monster really turned into a man! Although Mark was timid like a mouse, he saved a life!
