

My Lovely Rabbit

It was my birthday last month. My dad gave me a lovely rabbit as a birthday present. I was so excited.

I named the rabbit Lily. I fed and played with her every day. She was so cute!

Last week, I went to have a picnic with Rosalina. She took her dog Wendy together. Wendy barked at Lily loudly. But Lily didn't seem to be scared. She was so brave!

After the picnic, I said goodbye to Rosalina and went back home. I thought most of the rabbits were afraid of dogs. But I guessed not all of them were like that! I love Lily! She was a brave rabbit!
