Today my family and I went to Happy Zoo. It was very hot today so dad wore sunglasses and mum wore a hat. I wore a hat too. We were happy.

We first visited my hated animal, tiger. It is orange in colour. It has black stripes on his back. The tiger was looking at me. I look at the information about it. Then I knew it's a carnivore! So I ran away.

Next we visited my most worried animal, elephant. The species was an endangered one. There are only 146 individuals in the world. Then the elephant used its trunk to spill some water on me. We were all wet.

Then we visited the panda house. The pandas there were very cute. I grabbed a stone at the same time. I don't want to leave this place. Then some ducks attacked me there. I took the stone out of my pocket and threw it into the pond. At that time, the zookeeper had seen everything. He said angrily, "Don't throw stones here!" Then I said sorry to the zookeeper. We discovered other places in the zoo. We visited giraffes, rhinos, hippos... we were all happy.
