Sunny

Today my family and I went to Happy Zoo. The weather was sunny and we felt hot. First we visited the elephant and we looked at the tigers. Then we went to the Panda House. The pandas were cute. We were happy.

Next we went to the Duck's Pond. The ducks were cute too. Then I threw stones at the ducks. The zookeeper shouted, "Stop! Leave the zoo!" After that we needed to go back home. We felt sad.
