My Coolest Avatar!

I have an Avatar. His name is Rex Cena. He is nine years old. He has blonde spiky hair, a pair of light bluish eyes and a beautiful small nose. His hobbies are going cycling, swimming and jogging. He likes swimming the most because he has very strong arms. Thanks to his strong arms, he can swim for a long period of time.

He may look like an average boy to you, but he has a secret – he has super powers! He has the ability to turn invisible to avoid being hit, turn back time to stop bad things from happening, and do a super energy beam! He is also good at doing acrobatics too. He can do a backflip and do a big leap. He even beats the record for the longest leap in the entire school!

The best thing about Rex is that he is my best friend! He often plays video games with me and always studies with me. I think Rex is the best guy I have ever met in the world.
