## My Coolest Avatar!

I have an Avatar. Her name is Sarah. She is nine years old. Sarah has short hair, big eyes, a big mouth and a long neck. She is tall. She always wears a hat. She is cute.

Sarah likes going swimming and playing badminton. She often goes

ice-skating in her spare time. Sarah sometimes likes collecting stamps too. She seldom makes cakes but she often goes to the bakery and buys cakes.

I think Sarah is the coolest Avatar because she has a black and purple hat. Sarah can eat all the rubbish. She can also break through walls and run very fast. She even knows the future and stops time. She helps me to finish my housework. She is the best!
