Name of the book: The Dragon Tree

Written by: Roderick Hunt

The children went to a forest. They saw a dragon caught a dog, Floppy.

At the end of the story the children saved Floppy. The dragon was angry. They went back home.

My new solution and story ending:

There was a witch in the dragon tree. The witch made them small. She wanted to let Chip, Biff, Kipper and Floppy go to a small door. But the witch couldn't go in because she was very big. At last they went back to their home.
