

## **My best friend**

My best friend is Marco. He is seven years old. He is tall but he is shorter than me. His legs are long. His hair is straight and short.

Marco is honest. He does not tell lies. He is also tidy. He tidies his room every week.

His father is an indoor designer. He designs beautiful houses. His mother is a housewife. She looks after the family. Marco has one elder brother. His brother is twelve years old.

Marco is my best friends. I hope we can be best friends forever.
