

### **About the Story: Kipper's Idea (by Roderick Hunt)**

It is about Kipper's idea. When he went to school, he saw two naughty children draw a picture of him. He had an idea. Then Miss Green let them draw faces on the wall.

I like the story because it is funny. I think Kipper would be very angry about the naughty children. But he didn't.

### **My Favourite Character**

My favourite character is Kipper.

I like Kipper because he was a good boy. He did not shout at the naughty children.

### **My New Story Ending**

Everyone liked the wall. "Good for Kipper!" everyone said. Then Miss Green called Kipper's dad that Kipper was very good. Then his dad gave a present to him. "Wow! It's a toy car!" shouted Kipper. They were happy.
