

About the Story: Kipper's Idea (by Roderick Hunt)

The story is about Kipper's idea.

He goes to school and plays in the playground. But then there comes two naughty girls who paint the wall of Kipper's face and body. Mrs May tells the two girls off. Then Kipper suggests they draw their faces on the wall.

I like the story because it is funny and interesting.

My Favourite Character

My favourite character is Kipper.

I like him because he is very funny, clever and good at solving problems.

My New Story Ending

Kipper finally goes to school happily and does not worry about the two naughty girls. They work hard and are very clever. They are very happy.
