Name of the book: The Dragon Tree

Written by: Roderick Hunt

The dragon catches Floppy and wants Floppy for supper.

At the end of the story the children helped Floppy and took it home, the magic took them back.

My new solution and story ending:

The magic took the dragon into the world. The children were scared. They ran out of house with parents. The dragon went to the city and destroyed it. In there, the people were afraid and sad. Then, the children woke up and said, "It is a dream." They felt relaxed and happy.
