

### **About the Story: Kipper's Idea (by Roderick Hunt)**

One day, Kipper's dad took him to school.

Kipper wanted to play. Then he ran into the playground. He saw a drawing of Kipper on the wall. The wall looked a mess. Kipper had an idea. He asked Miss Green to draw circles on the wall, and the children painted faces. The wall looked good and everyone liked it.

I like the story because it is interesting to read.
